I, (Agent or Builder) _____ request the issuance of a Building Permit to construct the improvements described in the attached plans and specifications. By signing this letter, I certify that I have a copy of

WESTON LAKES ARCHITECTURAL STANDARDS BULLETIN NO. 8 (ASB #8) and the DECLARATION OF COVENANTS, CONDITIONS, AND RESTRICTIONS (CCR's) for the lot noted above and that I have read and familiarized myself with those Documents. Further, I certify that the house and site design has been developed with the full knowledge of and adherence to the CCRs and Architectural Standards Bulletin No. 8, and that construction and jobsite conduct will proceed accordingly

I or my assignee(s) agree to request, in a timely manner, the inspections prescribed in the Bulletin so as to allow the inspection of construction which is to be enclosed, covered or otherwise made inaccessible for subsequent visual inspection.

As agent or builder, I authorize the designated personnel of the Weston Lakes Property Owners Association to inspect the above described property and improvements. As agent or principal, I indemnify and hold harmless the Property Owners Association and their designees against any and all claims or loss except that of willful misdeed or gross negligence. In the event that an item of construction does not satisfy the requirements of Weston Lakes CCRs or ASB #8, repair, replacement and/or augmentation of that item will be performed until that item does satisfy the requirements of Weston Lakes. Continued non-compliance and/or refusal to rectify a deficient item or construction will terminate the "No Exception Taken" status of the plans and franchise granted by the building permit.

Revocation of a building permit and all other action concerning construction in Weston Lakes is subject to review of the Architectural Control Committee whose decisions will be final. I also understand that the New Construction Fee covers only eight formal inspections, and that if my building fails inspection, I must pay a re-inspection fee. All maintenance and inspection fees must be paid before a Statement of Completion will be issued. Issuance of a Statement of Completion does not release the builder from any of the liability normally associated with construction and does not limit in any way the implied or actual warranties or liabilities that the builder is normally obligated.

The Builder and Owner understand that the exterior of the home including the minimum required landscaping must be completed within eight (8) months, unless extended by ACC, from Site Inspection date and that Final Inspection by POA Inspector must be completed with "No Exception Taken" granted before occupancy of the house.
